Dear Ms Mak,

Outstanding Academic Achievements of Your Graduates

It is my pleasure to congratulate you on the outstanding academic results achieved by your graduates, Lam Pui Yan, Lee Chun Yiu and Lau Hoi Fung, who graduated from your school in 2008, and completed their studies at Kwun Tong Government Secondary School in 2014. They have attained remarkable achievements in the 2014 HKDSEE in various subjects. Pui Yan attained level 5** in Mathematics, while Chun Yiu and Hoi Fung attained level 5** in Physics and Liberal Studies respectively.

The three of them are highly self-motivated. They are responsible and reliable students. I would like to take this opportunity to show my gratitude to you, and your fellow dedicated teachers for nurturing them and helping them to build a strong foundation which enabled them to successfully cope with their studies throughout the years in secondary school.

Congratulations once again for your success in educating our young generation. We look forward to our future collaboration to provide quality education to our students.

Yours Sincerely,

(LIU Choy-woon)
